

NEBS/TimeTECH Partnership

NEBS Payweb and TimeTECH Canada bring Payroll, HR and Time and Attendance into One Solution

Midland, Ontario (NEBS Payweb) NEBS Payweb and TimeTECH Canada have entered into a partnership to provide businesses a way to integrate Human Resources, Time and Attendance and Payroll into one solution.

The two companies understand the challenge that businesses face when managing these functions. They have entered into a partnership with the goal being to develop an integrated approach to manage Payroll, Human Resources and Time and Attendance.

In the short term, the new partners will look for further opportunities to enhance the customer experience through integration. Both firms have trusted technology that will benefit businesses looking for a unique simplified solution.

About NEBS Payweb - www.nebspayweb.com

NEBS PAYweb.ca emerged in 2003, as a result of the acquisition of the payroll division of Parkwood Computer Services Inc. by NEBS Business Products Limited. Established in 1967, NEBS PAYweb.ca is Canada's longest serving and most trusted payroll specialist, providing a flexible and targeted service for its business clients. PAYweb.ca offers an affordable, scalable solution that is proven effective for small to medium size businesses.
